THE COTTON CROP.

A Large Proportion of the Product Sent to Market—State Averages.

WASHINGTON, D. C., Feb. 10.—The returns to the Department of Agriculture for the month of February, which relates to cotton, give the estimates of the product compared with last year, the proportion sent to market, damage by insects, average date on which picking was closed, etc. The following are the state averages in the comparative crop: Virginia, 94; North Carolina, 94; South Carolina, 92; Georgia, 92; Florida, 100; Alabama, 95; Mississippi, 94; Louisiana, 90; Arkansas, 84; Tennessee, 84; Missouri, 80. The proportion of the crop which has been sent from the plantations and is therefore in the hands of others than producers, as shown by correspondents, is 92.2 per cent, leaving 7.8 per cent of the crop still unmarketed. Correspondents of the department assign as a cause for the unusually large proportion marketed that the producers, owing to the stringency of the times, have been compelled to part with their holdings to pay debts and meet necessary expenses. Percentages by states are as follows: Virginia, 85; North Carolina, 88; South Carolina, 80; Georgia, 92; Florida, 91; Alabama, 88; Mississippi, 84; Louisiana, 94; Texas, 92; Arkansas, 94; Tennessee, 82; Missouri, 92. Losses from insects have been small, Texas, Louisiana, Arkansas, Mississippi and Alabama being the only states reporting damage from that cause. The proportion of lint to seed ranges 31.7 to 33 per cent, average 32.2. The price of seed varies from 15.6 cents to 16 cents per bushel. The average date of closing picking was Dec. 2.

A DOUBLE CRIME.

A Dock Laborer at Milwaukee Commits Murder and Suicide.
MILWAUKEE, Wis., Feb. 10.—This morning Charles Fehrmann, a dock laborer, shot and instantly killed his divorced wife, Lena Fehrmann, at a house of ill-repute kept by the woman at 28 Martin street. The murderer then went to his room in the Robinson Block on the South side and cut his throat from ear to ear. The couple were married at either Kansas City or Sioux City about five years ago, but have been separated for two years.

Verdict in the McWhirter Insurance Suit Against the Connecticut Mutual.
SAN FRANCISCO, Cal., Feb. 10.—The jury in the case of Mrs. Louis B. McWhirter against the Connecticut Mutual Life Insurance Co. All the companies except the Connecticut Mutual Life paid their share. The latter claimed that McWhirter committed suicide and refused to pay.

A year ago last August McWhirter, a prominent lawyer of Fresno, was represented, was called to his backyard at 8 o'clock in the morning and shot and killed. He held policies in four companies aggregating \$60,000. All the companies except the Connecticut Mutual Life paid their share. The latter claimed that McWhirter committed suicide and refused to pay.

The death of McWhirter created a great sensation all over California. He was a prominent Democrat and was engaged in a very bitter local political fight at the time of his death. It was asserted by McWhirter's friends that he had been murdered because of politics, and the bitter feeling between the two factions of the Democratic party in Fresno was intensified.

Some time after McWhirter's death Richard Heath, a son of Gen. Heath, one of the best known men in the state, was arrested, charged with the murder. The evidence against him was purely circumstantial and after a trial lasting many weeks and provoking numerous feuds, the jury disagreed and Heath was released on \$7,000 bail. His second trial is set for Feb. 14, but the case will probably be delayed, owing to an appeal to the supreme court for a change of venue.

Heath was vitally interested in the outcome of the suit against the insurance company, as his defense was that McWhirter committed suicide. Some testimony used in the health trial was used in the suit against the insurance company.

Base Given Five Years.
Alexander Bass was yesterday afternoon convicted of stealing \$1,000 worth of copper wire from the Lindell Railway Co. and was sentenced to five years in the penitentiary. He was in last evening's 8 o'clock edition of the Post-Dispatch. Bass, a German, who was active in the prosecution, is now suing E. A. Elliot, Bureau and Murphy in the Court of Criminal Correction for criminal libel for having asserted that he had disposed of the wire for his own benefit.
